ALL ABOUT US

When Sir Titus Salt built Salts Mill in 1853 it was all about seeing business through fresh eyes. Today a host of forward-looking companies continue that tradition. The current list of tenants includes a home-grown FTSE listed group, environmental and landscape architects, bespoke tailors, international software support agents, electronics manufacturers and many others.

If you'd like to join them, Salts can offer spaces great and small; flexible terms and room to grow. We're also refurbishing an enormous new courtyard with a Canal side aspect – The Piazza will be the perfect place for anyone who wants to think big.

WHERE WE ARE

Salts Mill is located in a beautiful semi-rural environment in the heart of the UNESCO World Heritage Site of Saltaire, but only 20 minutes from the national motorway network, 20 minutes from Leeds Bradford International airport and directly opposite Saltaire train station, with direct services to Leeds (18 mins), Bradford (14 mins), and Skipton. The area is also very well served by local buses.

If you're coming to have a look, the approach to our car park is via Salts Mill Road - there is no access from Victoria Road in Saltaire Village. If you have Sat Nav, use postcode BD18 3TT and proceed down Salts Mill Road, past The Waterfront and enter through the gates. Turn first right into the visitors car park. Disabled visitors can park right outside the main entrance.
